Bricolage Academy is a proposed charter school designed to prepare students of diverse backgrounds to become innovators who change the world. Pending approval from the Orleans Parish School Board, Bricolage plans to open in 2013 with a Kindergarten and grow one year at a time until we serve students through 8<sup>th</sup> grade.

Our founding leadership team hails from Lusher, McGehee and KIPP and knows first hand what academic excellence looks like. We're also parents who are excited to enroll our own children in Bricolage's first Kindergarten class.
